Acknowledgement

To our dedicated partners and contributors: your unwavering support has been the heartbeat of the T.B. Joshua Foundation. It is because of your past generosity and continuous commitment to service that we stand ready to reach higher and do more. Thank you for walking this path with us.

About

T.B. Joshua Foundation

Foundation Overview and Background

The T.B. Joshua Foundation is a legacy initiative inspired by the life and humanitarian vision of T.B. Joshua. Established to continue his commitment to making the world a better place, the Foundation focuses on uplifting the less privileged and transforming lives through acts of compassion and service.

Our Vision

To honor the transformative legacy of T.B. Joshua by fostering education, supporting entrepreneurship, and empowering communities to create a foundation of lasting hope for generations to come.

Our Mission

The attitude of service that T.B. Joshua embodies is the driving force behind our three-fold mission: promoting education by means of scholarships, fostering entrepreneurship by means of grants for small and medium-sized enterprises, and providing assistance to communities.

Our Legacy Principle

”

The beauty of achievement
is when we no longer live
and our achievement is still
there, continuing to linger on
in the eyes and ears of
children yet unborn

T.B. JOSHUA

2026-2030
Strategic Plan

STRATEGIC INITIATIVE OVERVIEW

As a direct continuation of the mission to which T.B. Joshua dedicated his life, we embrace this strategic plan to honor, protect, and build upon the profound foundation of service he laid.

The 5,000 Lives Initiative, as part of the T.B. Joshua Foundation's 2026–2030 Strategic Plan, is a large-scale legacy project designed to scale the foundation's impact across three core pillars.

Building on the success of earlier conventions that empowered youth with millions in grants, this initiative aims to provide direct, life-changing support to 5,000 individuals over five years.

Strategic Pillars

Education

Through Education, we equip individuals with knowledge and skills for growth.

Entrepreneurship

Through Entrepreneurship, we empower sustainable livelihoods and economic impact.

Community Support

Through Community Support, we support healthier, more resilient, and inclusive communities.

Pillar 1 Education

Formal Education Support

Infrastructure

Upgrading educational environments with learning resources and vital amenities.

Scholarships

Fund **100 undergraduate** and **20 postgraduate degrees** at public universities.

Digital Skills

Launch bootcamps in basic coding, graphic design, and office productivity.

Tech Upgrades

Provide computers, internet, and multimedia tools to **10 secondary schools**.

Career Mentorship

Partner with **20 schools** to host professional career days.

Teacher Certification

Sponsor formal licensing and professional credentials for **100 school educators**.

Pillar 2

Entrepreneurship

Agriculture & Food Security

Green Grant Package

Provide **200 farmers** with high-yield seeds and eco-friendly starter kits.

The Sustainable Yield Summit

A conference bringing together 500 smallholder farmers and industry leaders for technical masterclasses.

The Fertile Ground Initiative

Train **100 farmers** in processing and packaging to boost profit margins.

Small and Medium-Sized Enterprise

Business

Formalisation

Assist **100 informal businesses** with formal registration.

B2B Linkages

Create a B2B network connecting small-scale enterprise directly to retailers.

SME Growth Grants

Provide **100 high-potential SMEs** with funding for essential tools, machinery, and technology.

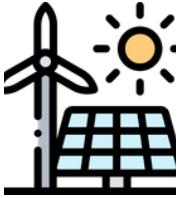

Mentorship Programme

Pair **50 SME with professional mentors** for intensive scale-up and advanced skill training.

Pillar 3 Community Support

Clean Water Access

Deploying solar-powered clean water systems in 5 underserved clusters to eradicate preventable water-borne diseases.

THE HORIZON PROJECT

The Horizon Project is the second phase of the T.B. JOSHUA FOUNDATION flagship developmental initiatives. It is a medium-term development initiative established to preserve and advance the enduring legacy of Prophet T.B. Joshua in the area of human capital development. It was inspired by the Prophet's commitment to service and empowerment, as well as compassion for humanity.

The project derives its name from the horizon, the point where today's reality meets tomorrow's possibilities. It symbolizes vision, progress, and the limitless potential that emerges when individuals are equipped with the right opportunities.

At the heart of this initiative is the establishment of a world-class technical and vocational centre in Arigidi Akoko, Ondo State, the hometown of Prophet T.B. Joshua. The institution will provide practical, industry-relevant training in technical, vocational, entrepreneurial, and emerging technology skills, equipping young people with the tools required to thrive in an evolving global economy.

The Horizon Project is founded on a simple but powerful belief that while talent is universal, opportunity is not. By providing access to quality technical education and skills development, the project will help bridge this gap, transforming potential into productivity, aspirations into achievements, and dreams into sustainable livelihoods.

Beyond a school-building endeavour, The Horizon Project is an investment in human capital. It is designed to create a ripple effect of empowerment that extends far beyond its students, strengthening families, stimulating local economies, creating employment opportunities, and contributing to national development.

As a donor-supported initiative, The Horizon Project invites individuals, institutions, corporate organizations, philanthropists, and friends of the T.B. Joshua legacy from around the world to become partners in building a future of opportunity. Every contribution represents an investment in lives, communities, and generations yet to come.

The Horizon Project stands as a testament to the belief that the greatest way to use life is to spend it on something that will outlive it.

Together, we can expand horizons, unlock potential, and build a future where opportunity knows no boundaries.
